

TOWN OF KYLE

APRIL 2018 NEWSLETTER

April is appreciation month. We all appreciate the fact that the long cold winter is nearly over and spring is almost here...even if it brings water issues and mud that too shall pass. Plans are in the works for street and alley grading, improved ditch water flow and culvert installs.

We appreciate the support from all the Kyle Elks Hockey Club fans as they captured another SVHL League Title and the Senior Provincial 'D' Championship. Way to go team, another double banner year.

We appreciate all the volunteer hours that are put into running the Sports Centre, both the hockey and curling sides and the best little rink kitchen in the country.

We appreciate all the sports teams that keep us entertained all winter and look forward to the summer sports teams to start up, right from the initiation level to the senior players.

We appreciate all our volunteers as the new Sports Centre roof would not be possible without the unwavering dedication from the community to see it through to completion.

Rivers West District for Sport, Culture and Recreation 2018 Volunteer Recognition Banquet is on Thursday, April 17, 2018 at the Kyle Elks & Community Hall. Meal tickets are \$20 and are available from Crystal Imrie at the Recreation Office. The Kyle Recreation Board won the award this year in the category of Recreation – Facility – Renovated or New Build.
