TOWN OF KYLE ANNIVERSARY CELEBRATION

Mark June 15, 2019 on your calendars and watch for posters and information.

The next planning meeting is on Tuesday, April 16 at 7:00 pm in the Town Office, this is an open invitation to anyone who would like to help with the planning or bring forward ideas for the day.

Confirmed events for the day include gymkana for all ages starting at 3:00 pm and a dance in the evening at the beer gardens. The trade show will be at the Elks Community Hall, if you would like a table please phone the Town Office. A town wide garage sale is also planned. Please call the Town office so we can register you and post a map of all the garage sales that day.

LANDFILL/ GARBAGE PICKUP

The RM of Lacadena and Town of Kyle landfill site will be closing in the near future to household garbage. Watch for information on changes to the open times of the landfill and what can be accepted there.

The Town of Kyle has contracted Triways Disposal for curbside waste and recycle pickup. If you did not receive the information pamphlet in the mail, please stop in at the office for it. The target start date is May 6, 2019. There will be 2 carts designated to each household, one is for household waste and another for recycle. On the back of the information package is a pick up schedule, which is changing from our current Friday pickup to Monday pickup. The system will be front yard pick up which means they are to be set out on the street in front of your house by 7:00 am on Monday. If you currently share a garbage container with a neighbor, please contact the office about alternate arrangements.

The curbside carts that are provided for residents is a 95 litre container that will hold 5 to 6 regular sized black garbage bags. The recycle cart does not have to be bagged or sorted; just throw the ACCEPTABLE ITEMS in the container; please review the pamphlets on ACCEPTABLE ITEMS FOR RECYCLE.

The Compost program as changed last year will continue for this season. Triways does accept grass clippings in their household waste bins if it is bagged and tied.

Triways will also provide the community with a 6 yard building renovation waste bin. The bin rental will be between the property owner and Triways, so the bin will stay in Kyle, but you will have to contract Triways to rent it and have it delivered to your site.
