EMO Update- Power Outage

On behalf of the Town of Kyle we would like to thank everyone who helped out during the Power Outage! Whether it was donating hot coffee and water, delivering meals, making phone calls or simply checking on your neighbors, THANK YOU! We appreciate all of your help! A special thank you to the Matador Colony for their generosity and for donating their time, and hot meals to our town and R.M. We can't thank you enough! Thank you to Leanne Pederson, who is our EMO Coordinator, for all of her hard work and for developing our plan. Thank you to the R.M. of Lacadena Administrator, Yvonne Nelson, for her help and the R.M. for allowing us to work out of their office! It is amazing what you can accomplish when everyone works together! During this process, any discrepancies that were found are being worked on and improved. The resident lists are being updated and the plan is continuously being developed. If your phone number has changed please contact the Town Office so we can update your contact information. It will not be shared with anyone but it is very important we are able to contact you in case of an emergency. Also, please answer your phone during emergencies even if you do not recognize the phone number it is most likely going to be someone using their personal phone to check on you!
